

UKIEUS Meeting, Wednesday 20th November

49th Annual Scientific meeting of the Pancreatic Society of Great Britain and Ireland 21st—22nd November, incorporating symposia from the National HPB Specialist Nurse Group and the Nutrition Interest Group of the PSGBI

Venue: The Grand Hotel, Malahide, County Dublin

Provisional agenda, subject to change

UKIEUS 2024 Wednesday 20th November

	Topic	Speakers
08:50	Welcome	Manu Nayar & Dermot O' Toole
09:00	EUS in NET Diagnostics and Therapy	
	Video cases GI NETS (2)	SVUH Team
	What do endosonographers need to know about the diagnostics and treatment of GI NETS?	John Leeds
09:30	EUS tissue acquisition; providing the translational clues!	
	Recent advances in EUS tissue acquisition	Nadeem Tehami (Southampton)
	Molecular advances in pancreatic cancer; what the endosonographer needs to know	Grainne O'Kane, Dublin (UCD/SVUH)
	Role of EUS in current era of pancreatitis; does idiopathic pancreatitis really exist?	David Prichard, Dublin
10:30	Coffee	
11:00	EUS Training	
	Update in UKI training - JAG summary	Tareq El Menabawey (London)
	Trainee experience	Darragh Storan (Newcastle)
	Vision from EU-ESGE Curriculum	tbc
	Panel discussion	
11:40	Future of EUS	
	Advances in EUS; technology and artificial intelligence (15+5)	Rolf Ball (Hamburg)
12:00	UKI EUS Research projects- template for collaboration	open call
12:30	Lunch	
13:30	Therapeutic EUS - interactive session	
	Case#1 EUS pancreatic Drainage	Noor Bekkali (Oxford)
	Case#2 Endoscopic Ultrasound-Guided Coil Embolization/other delivery for portal HTN, PP measurement	Fergal Donnellan (Dublin SVUH)
	Case #3 EUS biliary drainage	Finbar MacCarthy (Dublin SJH)
	Case #4 EUS anastomosis	Sajjad Mahmood (Manchester)
	Panel discussion	
15:00	Coffee	
15:30	Challenging cases for the MDT:	
	Case #1 Submucosal tumours	Danny Cheriyan (Dublin Beaumont)
	Case #2 Surveillance EUS for hereditary pancreatitis	Joe Geraghty (Manchester)
	Case #3 Colorectal EUS	Gayle Bennett (Dublin - MMUH)
		Panel discussion
16:30	Therapeutic EUS in 2024; pros and cons	Schalk van der Merwe (Leuven)
17:00	Close of meeting	Manu Nayar and Dermot O'Toole

PSGBI 2024 Thursday 21st November

World Pancreatic Cancer Day

	Topic	Speakers
08:45	Welcome address	Oonagh Griffin (Dublin/PSGBI President)
	Hot topics in Pancreatic Cancer - plenary session	
09:00-09:15	Identifying risk factors for early onset pancreatic cancer	Bill Greenhalf (Liverpool)
09:15-09:35	Precision Medicine for PDAC, where are we in 2024?	Grainne O' Kane (Dublin)
09:35-09:50	Surgical management of advanced pancreatic cancer; resection of oligometastatic disease	Euan Dickson (Glasgow)
09:50-10:05	Minimally invasive vs open surgery for PDAC, where are we now?	Keith Roberts (Birmingham)
10:05-10:20	Adenocarcinoma arising from IPMN: a changing paradigm	Sanjay Pandanaboyana (Newcastle)
10:20 - 10:35	Pancreatic cancer cachexia	Oonagh Griffin (Dublin)
10:35-10:50	Priorities for clinical trials in pancreatic cancer	David Chang (Glasgow)
10:50-11:00	Panel discussion	
11:00-11:30	Coffee, networking, exhibitor stands	
	Current clinical challenges in Pancreatic Cancer	
11:30	Patient experience of pancreatic cancer	tbc
11:45	HPB Nursing - state of the nations	Stacey Munnelly (Manchester) & Ana Carmona Carrasco (Leeds)
12:05	Management of PEI in a PERT shortage	Mary Phillips (Guildford)
12:20	Northern Ireland Pancreatic Cancer Audit- are we achieving optimisation of patient care?	Mark Taylor (Belfast)
12:35	National Pancreatic Cancer Audit: title tbc	Andy Smith (Leeds)
12:50	Best practice timed diagnostic pathways; the NHS England timed HPB diagnostic pathway	Keith Roberts (Birmingham)
13:00-14:00	Lunch, networking exhibitor stands	
	Management of Pancreatic Neuroendocrine Tumours	
14:00	Role of EUS in the diagnosis and treatment of PNETS	Dermot O'Toole (Dublin)
14:15	Medical management of advanced PNETS	Francesco Panzuto (Rome)
14:30	Optimal Surgical Management; parenchymal preservation vs segmental resection	Fiona Hand (Dublin)
14:50	Peptide receptor radionuclide therapy for PNETs	Hussein Almeamar (Dublin)
15:05	Panel discussion	
15:15-15:45	Coffee, networking, exhibitor stands	
15:45-17:00	Rodney Smith medal session 1; top scoring abstract for oral presentation

Agenda tbc

PSGBI 2024 Friday 22nd November

	Topic	Speakers
09:00-10:00	Rodney Smith medal session 2; top scoring abstract for oral presentation	
10:00-10:30	Coffee, networking, exhibitor stands	
10:30-12:30	Pancreatitis and Pancreatic Transplant	
10:30	BSGAR at PSGBI; optimal radiological assessment of pancreatitis	Sharan Wadhvani (Birmingham)
10:50	Early on-demand vs delayed intervention for severe acute necrotising pancreatitis; when and why?	John Leeds (Newcastle)
11:10	Determinants for surgical intervention in chronic pancreatitis	Ajith Siriwardena (Manchester)
11:30	Hereditary Pancreatitis, update on Europac	Chris Halloran (Liverpool)
11:50	TPAIT for hereditary pancreatitis; when and why?	Steve White (Newcastle)
12:10	Establishing a pancreatic transplant service; reflections from the Dublin experience	Tom Gallagher (Dublin)
12:30-13:30	Lunch, networking exhibitor stands	
13:30-14:30	Multidisciplinary management in pancreatic disease	
13:30	Best practice for the management of type3c DM	Philip Johnston (Belfast)
13:50	Navigating the rollercoaster of artificial nutritional support in acute pancreatitis	Mary Phillips (Guildford)
14:05	Utilising technology to enhance specialist nursing care of chronic pancreatitis	Marie Egan (Dublin)
14:20	Bone Health and Pancreatic Disease	Sinead Duggan (Belfast)
14:45-15:00	Coffee	
15:00-15:30	PSGBI AGM, prize-giving, and close of meeting	John Leeds (Newcastle/ PSGBI Secretary)

NIGPS 2024 Friday 22nd November

09:00-10:00	Session 1	Speaker
09:05	Immuno-nutrition and pancreatic surgery - what is the evidence?	Neil Bibby (Manchester)
09:30	Dietitians: Drivers for Sustainability	Natasha Gulidford (Oxford)
10:00-10:30	Coffee, networking, exhibitor stands	
10:30-12:30	Session 2	
10:30	Chronic Pancreatitis: Developing Patient-Centred Nutritional Care (CONNECTION Study) update	David Bourne (Newcastle)
11:00	Pancreatic Disease and Type 3c diabetes	Anna Burton (Leeds)
11:30	How to get started in research: navigating the first hurdle	Ellen Lyell (Newcastle), David Bourne (Newcastle), Mary Phillips (Guildford) Sinead Duggan (Belfast)
12:00	NIGPS AGM	
12:30-13:30	Lunch, networking exhibitor stands	
13:30-14:30	Multidisciplinary management in pancreatic disease (main meeting stage)	
13:30	Best practice for the management of type3c DM	Philip Johnston (Belfast)
13:50	Navigating the rollercoaster of artificial nutritional support in acute pancreatitis	Mary Phillips (Guildford)
14:05	Utilising technology to enhance specialist nursing care of chronic pancreatitis	Marie Egan (Dublin)
14:20	Bone Health and Pancreatic Disease	Sinead Duggan (Belfast)
14:45-15:00	Coffee	
15:00-15:30	PSGBI AGM, medals and close of meeting	John Leeds (Newcastle/ PSGBI Secretary)
